## TAVOLI TABLES

**M 965** Tavolo ping-pong per interni, pieghevole, struttura del piano di gioco in agglomerato di legno con rivestimento melaminico spessore mm.16, con linee bianche e finitura antiriflesso, rete e tendirete permanenti in dotazione, telaio e gambe in struttura metallica verniciata, quattro ruote doppie diametro mm.125. Dimensioni regolamentari.

Table tennis for indoor use, with playfield in melamine thickness mm. 16 and antiglare coating making it possible to play for a longer time without straining the eyes and inalterable white lines, net and net stretcher. Ideal for family and leisure use, with official competition size, the table has permanently mounted net and posts, an automatic locking system and four double wheels - two of which fully rotating - for easier locking and displacing. Bats and balls storage facility built into framework to increase the players' comfort.

**M 966** Tavolo ping-pong per esterni, pieghevole, struttura del piano di gioco in resina melaminica spessore mm.4 con profilo metallico spessore mm.36 con linee bianche indelebili e finitura antiriflesso, rete e tendirete permanenti in dotazione; telaio e gambe in tubolare metallico verniciato, quattro ruote doppie diametro mm.125. Dimensioni regolamentari.

Table tennis for outdoor use, with water-resistant materials, playfield thickness mm. 4 complete with profile thickness mm. 36 with an antiglare coating making it possible to play for a longer time without straining the eyes and inalterable white lines, net and net stretcher.

Ideal for family and leisure use, with official competition size, the table has permanently mounted net and posts, an automatic locking system and four double wheels - two of which fully rotating - for easier locking and displacing.

Bats and balls storage facility built into framework to increase the players' comfort.
